

Combination options, connection options and functions

		Use case				
Switch type	Switching mode	Control function	Illuminated		Note	
			Lighting	Orientation (= continuous illumination)		
Pre-assembled switches with LED lighting element	<p>3116 .. Rocker indicator switch, 2-way switch</p> <p>3826 00 Rocker indicator switch, 2-way switch without mounting claws</p> <p>3186 .. Rocker indicator switch, 16 AX 2-way switch</p> <p><b>Included with delivery:</b> - LED lighting element variant 2 (vertical)</p>	Circuit breaking	LED lighting element Variant 2 or 5 (vertical)	Replacement of the LED lighting element variant 2 or 5 (vertical) with variant 1 or 4 (horizontal)	Replacement of the LED lighting element variant 2 or 5 (vertical) with variant 1 or 4 (horizontal)	
		2-way switching	2x LED lighting element Variant 2 or 5 (vertical)	Replacement of the LED lighting element variant 2 or 5 (vertical) with variant 1 or 4 (horizontal)	2x LED lighting element variant 2 or 5 (vertical)  2x reconnection of the consumer at the output	
	<p>3112 .. Rocker indicator switch, circuit breaker, 2-pole</p> <p>3822 00 Rocker indicator switch, circuit breaker, 2-pole without mounting claws</p> <p><b>Included with delivery:</b> - LED lighting element variant 1 (horizontal)</p>	Circuit breaking	LED lighting element variant 1 or 4 (horizontal)		LED lighting element variant 1 or 4 (horizontal)  LED lighting element must be rotated by 180°	
	<p>3115 00 Rocker indicator switch, series switch</p> <p>3825 00 Rocker indicator switch, series switch, without mounting claws</p> <p><b>Included with delivery:</b> - LED lighting element variant 3</p>	Series switching	LED lighting element variant 3			

LED lighting elements

Variant 1: 37910 .. | Variant 2: 37920 .. | Variant 3: 37930 .. | Variant 4: 37940 .. | Variant 5: 37950 ..  
LED white: ..... 10 | LED red: ..... 11 | LED orange: ..... 12

Combination options, connection options and functions

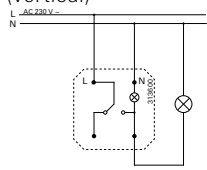

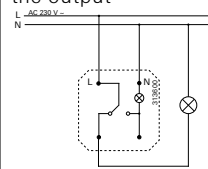

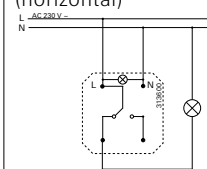

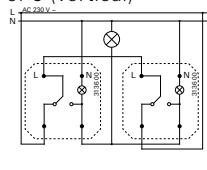

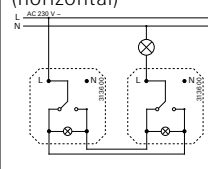

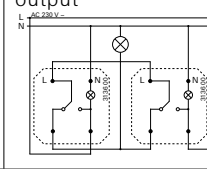

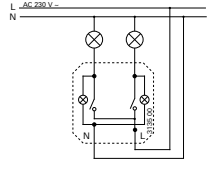

Switch type	Use case				
	Switching mode	Control function	Illuminated Lighting Orientation (= continuous illumination)	Note	
3106 .. Rocker switch, 2-way switch  3816 00 Rocker switch, 2-way switch, without mounting claws	Circuit breaking		Option 1 LED lighting element variant 2 or 5 (vertical)  Connection of the consumer at the output   Option 2 LED lighting element variant 1 or 4 (horizontal) 	Retrofitting the LED lighting element (as an optional accessory)	
	2-way switching		2x LED lighting element variant 1 or 4 (horizontal) 	Retrofitting the LED lighting element (as an optional accessory)	
	Intermediate switching		2x LED lighting element variant 1 or 4 (horizontal) 	Retrofitting the LED lighting element (as an optional accessory)	
3102 .. Rocker switch, circuit breaker, 2-pole  3812 00 Rocker switch, circuit breaker, 2-pole, without mounting claws	Circuit breaking	LED lighting element variant 1 or 4 (horizontal) 	LED lighting element variant 1 or 4 (horizontal)  LED lighting element must be rotated by 180° 	Retrofitting the LED lighting element (as an optional accessory)	
	3107 .. Rocker switch, intermediate switch  3817 00 Rocker switch, intermediate switch, without mounting claws	Intermediate switching		LED lighting element variant 1 or 4 (horizontal) 	Retrofitting the LED lighting element (as an optional accessory)

LED lighting elements

Variant 1: 37910 .. | Variant 2: 37920 .. | Variant 3: 37930 .. | Variant 4: 37940 .. | Variant 5: 37950 ..  
 LED white: ..... 10 | LED red: ..... 11 | LED orange: ..... 12

Pre-assembled switches **without** LED lighting element

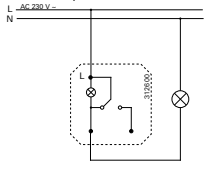

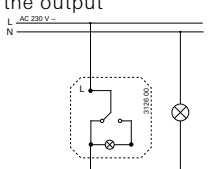

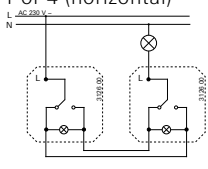

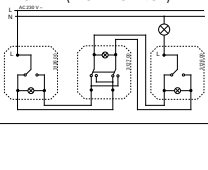

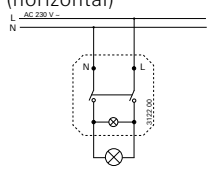

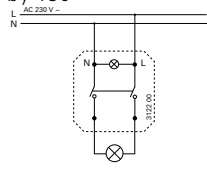

Combination options, connection options and functions

		Use case				
Switch type	Switching mode	Control function	Illuminated		Note	
			Lighting	Orientation (= continuous illumination)		
Pre-assembled pushbutton switches <b>with</b> LED lighting element	3136 00 Pushbutton indicator switch, 2-way switch  Included with delivery: - LED lighting element variant 2	LED lighting element variant 2 or 5 (vertical) 	LED lighting element variant 2 or 5 (vertical)  Option 1 lighting from the control function  Reconnection of the consumer at the output 	Replacement of the LED lighting element variant 2 or 5 (vertical) with variant 1 or 4 (horizontal) 		
	2-way switching	2x LED lighting element variant 2 or 5 (vertical) 	Replacement of the LED lighting element variant 2 or 5 (vertical) with variant 1 or 4 (horizontal) 	2x LED lighting element variant 2 or 5 (vertical)  2x reconnection of the consumer at the output 		
	3135 00 Pushbutton indicator switch, series switch  3845 00 Pushbutton indicator switch, series witch, without mounting claws  Included with delivery: - LED lighting element variant 3	Series switching	LED lighting element variant 3 (3 contacts) 			

LED lighting elements

Variant 1: 37910 .. | Variant 2: 37920 .. | Variant 3: 37930 .. | Variant 4: 37940 .. | Variant 5: 37950 ..  
 LED white: ..... 10 | LED red: ..... 11 | LED orange: ..... 12

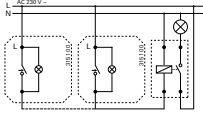

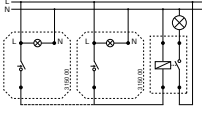

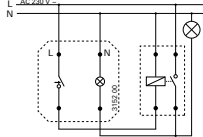

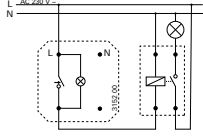

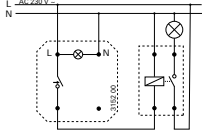

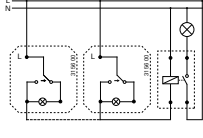

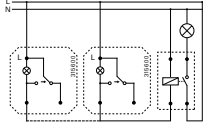

Combination options, connection options and functions

	Switch type	Use case		Illuminated Lighting		Note
		Switching mode	Control function		Orientation (= continuous illumination)	
Pre-assembled pushbutton switches <b>without</b> LED lighting element	<p><b>3126 00</b> Pushbutton switch, 2-way switch</p> <p><b>3836 00</b> Pushbutton switch, 2-way switch without mounting claws</p>	Circuit breaking		<p>Option 1 LED lighting element variant 2 or 5 (vertical)</p> <p>Reconnection of the consumer at the output</p> 		Retrofitting the LED lighting element (as an optional accessory)
				<p>Option 2 LED lighting element variant 1 or 4 (horizontal)</p> <p>Reconnection of the consumer at the output</p> 		
		2-way switching		<p>2x LED lighting element variant 1 or 4 (horizontal)</p> 		Retrofitting the LED lighting element (as an optional accessory)
	Intermediate switching		<p>2x LED lighting element variant 1 or 4 (horizontal)</p> 		Retrofitting the LED lighting element (as an optional accessory)	
	<p><b>3122 00</b> Pushbutton indicator switch, circuit breaker, 2-pole</p> <p><b>3842 00</b> Pushbutton indicator switch, circuit breaker, 2-pole, without mounting claws</p>	Circuit breaking	LED lighting element variant 1 or 4 (horizontal)		<p>LED lighting element variant 1 or 4 (horizontal)</p> <p>LED lighting element must be rotated by 180°</p> 	Retrofitting the LED lighting element (as an optional accessory)
				<p><b>3127 00</b> Pushbutton switch, intermediate switch</p> <p><b>3837 00</b> Pushbutton switch, intermediate switch, without mounting claws</p>	Intermediate switching	

LED lighting elements

Variant 1: 37910 .. | Variant 2: 37920 .. | Variant 3: 37930 .. | Variant 4: 37940 .. | Variant 5: 37950 ..  
 LED white: ..... 10 | LED red: ..... 11 | LED orange: ..... 12

Combination options, connection options and functions

		Use case				
		Switching mode	Control function	Illuminated Lighting Orientation (= continuous illumination)	Note	
Pre-assembled buttons without LED lighting element	3151 .. Rocker button, normally open contact  3871 00 Rocker button, normally open contact, without mounting claws	Staircase lighting		LED lighting element variant 2 or 5 (vertical) 		Retrofitting the LED lighting element (as an optional accessory)
	3150 00 Rocker button, normally open contact, N terminal  3870 00 Rocker button, normally open contact, N terminal, without mounting claws	Staircase lighting			LED lighting element variant 1 or 4 (horizontal) 	Retrofitting the LED lighting element (as an optional accessory)
	3152 00 Rocker button, normally open contact, signal contact  3872 00 Rocker button, normally open contact, signal contact, without mounting claws		LED lighting element variant 2 or 5 (vertical) 	LED lighting element variant 2 or 5 (vertical)  LED lighting element must be rotated by 180° 	LED lighting element variant 1 or 4 (horizontal) 	Retrofitting the LED lighting element (as an optional accessory)
	3156 00 Rocker button, 2-way momentary contact  3876 00 Rocker button, 2-way momentary contact, without mounting claws	Staircase lighting		Option 1 LED lighting element variant 1 or 4 (horizontal) 		Retrofitting the LED lighting element (as an optional accessory)
				Option 2 LED lighting element variant 2 or 5 (vertical) 		

LED lighting elements

Variant 1: 37910 .. | Variant 2: 37920 .. | Variant 3: 37930 .. | Variant 4: 37940 .. | Variant 5: 37950 ..  
 LED white: ..... 10 | LED red: ..... 11 | LED orange: ..... 12
